# WATER, FIRE & MOLD RESTORATION

## WATER RESTORATION

“Wow, what a great service! Monday afternoon I found water in our basement. The water heater leaked and spread into a few rooms. Levi was at our house in 30 minutes to start! He made a very stressful situation way less stressful! I highly recommend Carpet Patrol!”

- Amanda B.

## FIRE & MOLD RESTORATION

“Best in the business, hands down. Always reliable and dependable and quick to respond. They are the only company in town that has been quick to access damage and follow through with the clean up. Highly recommend”

- Allison B.

Imagine coming home after a relaxing day out, only to find that your house has been hit by a disaster. Maybe it was a fire that broke out while you were away, or perhaps your house has become a breeding ground for mold that you never noticed before. In moments like these, it's easy to feel overwhelmed and at a loss for what to do next. That's where Carpet Patrol comes in. We have professionals that are trained to assess the damage, create a plan of action, and work efficiently to restore your property so that it looks and feels like new!
